

DECLUTTERING: *For Kids*

Fun with Colors – Can you make a rainbow out of the clothes in your closet? Match up all your clothes by color and then put them neatly back on your hangers and in your drawers to see the colorful magic happen.

Toy Drive – You get to run your own toy store for kids who don't have any to play with. The best part? All the toys in this store are free! Start setting up your store by organizing your toys into categories. Then, put aside the toys you don't play with anymore so they can go to a new home with a kid that will love them!

Expiration Date Detective – Who's hiding in your fridge that shouldn't be? It's time for that old food to go! Follow the expiration date clues on the food in your kitchen to send those grocery criminals away to the trash.

TikTok Famous – Get creative because you're the next big TikTok star! You'll need a winning transformation to take the For You page by storm. Find the messiest room in your house and give it an extreme makeover, making sure to film a Before and After shot.

Cleaning Olympics – Who will win the gold medal? Compete for your chance to win the gold and a prize of your parent's choosing!

When you're done,
draw yourself next to
this Junk King truck
and color it all in!
